## **Making as Paradox AHRC CDT Conference 2019**

**Welcome to the AHRC CDT Student Conference 2019 (University of Sunderland and Northumbria University), at the Baltic Centre for Contemporary Art, Gateshead. This student led conference for practice-based research in Art, Design, Craft and Media takes a multidisciplinary approach and aims to provide a dynamic forum in which to explore new ways of creating knowledge through practice, with a particular focus on the disruption of technology in our made environments.**

**The conference presents a day of presentations, discussion and debate around contemporary themes that draw on the paradoxes of making today that it is hoped begin to offer pathways and solutions for the made future.**
